AMENDMENT

MAIL STOP NON-FEE AMENDMENT
Commissioner for Patents

Sir:

At the outset, it is noted that the **correct Attorney Docket Number** for the instant application should read **1000-10-C3**, not 1000-10-C2, as indicated on the face of the May 15, 2006 Office Action. Applicant would appreciate the PTO associating **Attorney Docket No. 1000-10-C3** with all future correspondence.

This amendment is responsive to the outstanding Office Action of May 15, 2006, in which claims 6-33 were the subject of a restriction requirement. No action on the merits of the claims was made by the Examiner.

Please amend the application as follows.
